WHO WE ARE

Our Main business area is Different Engineering Service and Support, Preferably for Bangladesh Air Force, Army and Navy .

BB Engineering Works is one of the leading defense contractors in Bangladesh, importing and supplying various technical and non-technical items as per the requirements of different government, semi-government, large local companies and multinational companies..

Since the inception of our business in 1996 as the professional defense product supply company in Bangladesh, we have specialized in sourcing and supplying defense, law enforcement and home security. We are one of the most trusted contractor firms for military purposes in Bangladesh. Md. The company has started diversifying into many sectors.

We are a company primarily focused on supplying to different organizations under the MOD, Bangladesh. In-depth industry and product knowledge is the outcome of our extensive experience in supplying to defense organization for many years.

Founder	1996
Trade License	014724(DNCC) 145324884313
TIN	
Enlistment in Military	Bangladesh Air Force- 40 Bangladesh Navy- 814 DGDP- 5577

BB Engineering Works is a General Contractor founded in May 1996. Since then, we have completed more than 300 sophisticated projects for agencies under MoD (Ministry of Defense) successfully.

BB Engineering Works is envisioned to extend its business to foreign markets and international investors in Bangladesh and provide optimal product supply & solutions in respect of the following commitments.

BB Engineering Works offers a wide range of solutions, even totally “Customized” to meet individual requirements, for the widest possible uses. In this specific sector, it can boast about its collaboration with international **Peace Forces, Emergency Services and Civil Defence Organizations** in Bangladesh.

“The success of our projects is not only measurable through our clean indicators on safety, quality and delivery timing, but also consists in reaching environmental sustainability”

Md. Jinnat Ali
Managing Director

PA SYSTEM

DEFENCE PURCHASE PROCEDURE

DGDP is the government body under ministry of defense; officially represented by the president of People's Republic of Bangladesh to organize all procurements/repair/overhaul requirements of the military forces i.e. Bangladesh Army, Navy and Air Force through competitive tenders/bids. Our company also participates in tender/bids in other government and autonomous organizations.

Only international parties dully authorized by the manufacturers/designers of the concentrated equipment/item or by the corresponding government authorities in the respective fields are allowed to present their quote through their corresponding local agent/representatives. But contract and payment are signed made with foreign companies only.

Payment is done through government irrevocable and confirmed letter of credit opened by the state Bank of Bangladesh or their nominated scheduled first class bank directly in favor of foreign organization /principal organizer

A fixed specification and terms and conditions against each requirement are sold against a fixed rate to the enlisted local suppliers only through whom the quotations are submitted. The authority is very strict about the specifications and terms & conditions which are required to be complied with. Any non-compliance results in the rejection of the offer.
